REPORTS

COMPOSITE REPORT OF THE DISTRICT SUPERINTENDENTS OF HOLSTON CONFERENCE TO THE NINETY-SECOND ANNUAL CONFERENCE, 1935, AT KNOXVILLE, TENN.

We give our thanks to our Heavenly Father for the opportunities for holy venture into the realms of spiritual life. We believe the opportunity to preach the unsearchable riches of Christ is the most worthwhile privilege on earth. First we greet for the third time our bishop, Wallace E. Brown and express our hope that he may be again assigned to our area for another quadrenium and say to him we are always pleased to have him preside at the sessions of the conference. We greet our brothers, members of the Holston conference and congratulate you in whatever results you have been able to report in men, women and children saved through the life and suffering of our Lord. We also greet at this conference representatives of our faithful laymen of whom we have many in this conference. We pray that they may be given a larger opportunity of service in the work of the districts and in the conference. We especially congratulate the good women of the various churches for their constant loyalty to all of the interests of the Kingdom. There is scarcely a church in this conference which could have carried on and have reached its goals had not the women helped in visitation, in missionary cultivation and in finances.

GRASS ROOTS OF HOLSTON CONFERENCE

In this report we desire to call our attention to some historical facts with regard to our splendid heritage in great leadership.

The first conference of the Holston country was held at Keywoods, Va., in 1788, by Bishop Asbury who presided over 17 sessions of the annual conference. The last one he held in Tennessee was at Rees Chapel in 1813. 50 different bishops have presided over the Holston conference and the conferences out of which the Holston developed. There have been 21 men served as secretaries of the conference since the organization of the church in this territory.

Men now members of the conference have come from 38 different conferences, and have served in 72 conferences of Methodism. Thus we find that instead of being a local conference that we are cosmopolitan having served in conferences as widely separated as California and New York, east and west and Michigan and St. John's River, north and south.

The men have come from 29 diferent states and one foreign conference.

We now have 146 members, 8 probationers, 34 retired men and 40 widows of the conference.

While we are on the border line between the deep South and the North we have had preachers come from nearly all of the southern states and more than half of the northern states. Not only that but this conference has sent into northern conferences more than 30 men who have made good there.

We are pleased to note and report that better times are here financially, that the government reports a 15% increase in employment over a year ago and while there are still many out of employment we are moving in the right direction and hope that in another

year we may be able to report a very decided upgrade in our world service giving and in all other benevolences and most certainly the pastor's salaries should reflect the better times.

We are grateful to our Heavenly Father for the health and happiness in the homes of the pastors.

However some sorrow always enters. Rev. J. O. Cox, L. D. Hamil, A. A. Newman, and W. A. Sharp passed to the life beyond. We record also the deaths of J. L. Chaney's father, E. M. Pippin's mother, Solon McNeese's father, and James Wilson's brother. Mrs. Pippin was the widow of a member of the Holston conference. J. T. Bird, Whittle Springs charge, was compelled, because of serious illness, to give up active work in the year.

W. L. Oliver, because of ill health gave up his charge at Jellico in the summer and John King was appointed to the vacancy. D. W. Donaldson was transferred by Bishop Brown and appointed to Whittle Springs. Mrs. C. F. Lucas has suffered serious illness during the year.

Mrs. Dan Jones' father passed during the year. The faithful wife of Rev. C. H. Ely passed to her heavenly reward. There have been the usual minor cases of sickness over the conference. Rev. D. L. Howell has undergone a major operation. Rev. S. G. Ketron is in the hospital at Kingsport for observation. Rev. G. W. Matney has been sick for sometime.

EVANGELISM

We believe that the records will show an increased number of conversions and of new members received into the church. In Johnson City district Rev. R. E. Walker has held many successful revivals. Helpful revivals have been conducted throughout the conference. A number of successful decision day services were held on the district which stimulated the spiritual interest. On the Knoxville district there was conducted at least an average of one special meeting in each charge. Professions are not so numerous as last year. Pre-Easter meetings were held in all of the city churches which gave a spiritual uplift throughout the city. A decrease will be shown this year because of an error in the full member column last year.

Evangelistic services were promoted on almost every charge in the Chattanooga district. Some of the pastors exchanged services in special meetings with good results. Athens Parish, Cleveland Parish No. 1, St. James, Copperhill, Englewood and North Athens and Niota, each received more than 20 new members. North Athens and Niota received 67 new members during the year.

FINANCES

There has been an increase in the salaries of pastors in about 25 per cent of our churches. The districts report an increase in our general and conference benevolences. E. Dow Bancroft spent a month again in the conference and rendered us good service.

The promotional and cultivation meetings held by Bishop Brown gave us direction and inspiration in the year's work. We appreciate the helpfulness of Dr. W. S. Bovard, Dr. Mark Dawber, Dr. N. F. Forsythe and other men who have inspired and instructed us in the program of the church.

We recommend that we promote throughout the conference a thorough-going campaign of sharing in a fair way what we have in the

work of the church and that every man, woman and child be enlisted as far as possible as tithers. We are not going to find much joy in our Christian lives until we give at least one tenth of our income to the work of saving the world. We believe there is nothing which will help vital evangelism so much as sharing what we have and what we are with others.

BUILDING AND IMPROVEMENTS

The following charges have begun or have completed new buildings:

Johnson City District:

Rutledge charge—A new church at Cedar View, a frame building valued at $3,000.

Rogersville—A union church in which we share. Parsonages and church property have been improved and repaired to the amount of six or seven thousand dollars.

Chattanooga District:

The new church in Coalmont charge at Griffiths Creek is ready for the seats and it is hoped will be completed early in the year. The new Eastridge church is under roof and will soon be completed. Money has been secured for its completion. It is notable that at the present time there is no debt on it. The Ladies Aid society of the church has raised nearly $800 on the building fund and the budget.

At Soddy, the parsonage has been made into a very comfortable residence by adding another room, reflooring, painting, papering and rebuilding porches.

Churches on Thorn Grove charge repaired, $190.

The South Knoxville Church bought a parsonage.

PAID ON INDEBTEDNESS

Johnson City District:

$200 has been paid on the District Parsonage debt; Lynn Garden has paid its debt of $500. Valley View on the Mountain City charge has paid its debt. Elizabethton has reduced her indebtedness and has made improvements of $1,500. Kingsport has paid more than a thousand dollars on its debt. The outstanding achievement has

been the refinancing of our Johnson City church, under the leadership of J. W. Broyles. The church debt has been reduced $45,000. There is no church within the district which is in danger of being sold for debt. The church at Morristown has been painted. Improvements have been made at Greeneville, also on Baileyton charge.

Chattanooga District:

Athens church has rearranged its basement into a beautiful double dining and reception room.

Athens Parish has repainted two churches.

Big Springs church is putting in new seats and redecorating.

Cleveland First church is rebuilding the front of the auditorium back of the pulpit, for a better and more worshipful setting and better acoustics at a cost of about $600.

Cleveland Parish No. 1—The parsonage debt of $1100 has been paid.

Alton Park has under the direction and inspiration of the pastor raised nearly $1000 on its debt, and by refinancing will reduce the debt of $3,400 to about $1,600.

Highland Park has paid out an old debt of $600.

Manker Memorial has paid $400 on debts on the church pews and notes, and has turned over the parsonage to the holder of the mortgage thus reducing their debt $2,500.

Etowah has raised $1000 on indebtedness.

Red Bank is refinancing their debt and have arranged to reduce their debt from $19,000 to about $10,000.

South Pittsburg has paid off the debt on their parish house.

Almost every other church in the district has paid minor debts and has made some improvements by painting and repairs. A total of nearly $25,000.00 will have been paid on debts.

Bristol District:

One new parsonage is being completed at Greendale at a cost of $2,000. Other general improvements in church property will amount to $3,132.

Paid on old indebtedness $1,500, making a total of $6,632.

At Salem improvements on church property, $1,050, and $300 on old indebtedness.

There will be more than $500 gain in pastors' salaries.

At Bristol $900 has been paid on debt and $478 on improvements.

$500 improvement on Floyd.

$600 on First Church, Roanoke.

$1,200 on Villa Heights indebtedness.

Harriman District:

We are very happy to state that our good women have organized Home Missionary Societies in numbers sufficient to warrant a District organization, which will add greatly to the reports on World Service.

Throughout the Norris Reservoir territory there has come a great change in all forms of life. We have sold to the government twelve of our churches, three road-rights-of-ways, and a vacant lot has been contracted to sell. All of this approximating $20,000.00

Practically all of the church property on the Andersonville and Big Valley charges has been sold. The New Tazewell has had a real transformation because of the building of the Norris Dam, and all of that neighborhood is showing signs of improvement. The Wells

Spring charge will remain intact. From the funds which were received from the sale of church property in the Norris Reservoir area, much improvement in buildings has been accomplished; in this connection, loans were made from the Conference Board of Incorporators on interest bearing notes with the understanding that these notes are to be cancelled by the Annual Conference. In each case where these loans were made, the local congregation receiving such aid was very glad to give sufficiently themselves in order to secure aid thus received. There has been an epidemic of building throughout the District. Reports from the pastors will show that approximately $40,000.00 has been expended this year on building and improvements, as follows:

The building program at Clinton is noteworthy, in that it has thus far been a "Pay as you go" affair, under the splendid leadership of Rev. W. L. Pickering. The Dayton Church has been re-papered; the Decatur parsonage has been remodeled and re-roofed; the Graysville church is enjoying a new piano and some repairs; First Church, Harriman, is in a building program which, when completed, will be a magnificient Institutional plant; this undertaking is well cared for and managed by the Rev. H. C. Coleman, pastor; approximately $200.00 have been spent for general repair work on the Woods Chapel church. The Jellico parsonage has been renovated and made most livable, and $482.00 debt paid. an outstanding debt on the church and parsonage at Kingston has been paid; the church at LaFollette has been re-decorated and papered, a new lighting system has been installed, and the parsonage has been entirely rebuilt; a parsonage has been bought on the New Tazewell charge, and two church buildings have been erected and dedicated, under the splendid leadership of Rev. J. F. Coldwell, pastor; the church at Heiskell has been re-covered and repaired; the church and parsonage at Oakdale have been repaired and re-decorated; the Oliver Springs charge is enjoying a parsonage free from debt; the Oneida church debt has been lifted; the large and convenient parsonage on the Patton Community Center charge has been completed, and a general repair job is under way on the church; and the District parsonage has been renovated, inside and out, papered and painted, hardwood floors laid throughout the downstairs, a fine kitchen range and a cabinet sink installed, and a beautiful indirect lighting system which is a credit to any home, has been furnished, etc., truly a credit to the District; the Crossville charge is moving along nicely, under the leadership of its pastor, Rev. M. F. Goss, and the efficient services of three full-time women workers.

WORLD SERVICE

Every district has reported an apparent increase in World Service this year. We recommend the larger and more complete district and local church organization to reach the goals the coming year.

We are not making use of the various church standing committees that we should. We recommend that each pastor conduct early in the year a seminar on the duties of the various officers and standing committees of the church. Many times we appoint long lists of officers and committees and then drag along the best we can without using these. We are backing the Lay Association in their effort to get the entire local organization to functioning. "How can we Improve the Church Program," is a splendid A course under the direction of the Board of Education which should be put on with vigor in each charge.

Instead of the pastor assuming all of the responsibility for working out the details of the program, shall we not actually use every committee and officer the coming year? The World Service Board has asked that we name our own World Service budget that we will make a bona fide effort to reach the coming year. Dr. Auman says, "set it at a figure that you will try to reach." In 1934 we did not pay quite $10,000. The asking was more than $19,000. This coming year they have suggested $21,000 to make our total share in their church wide asking.

Some progress has been made in some of the districts toward sharing the salaries in a sustentation fund to help the charges which are unable to pay a living salary. However it is our judgment that under a forward campaign worked out thoroughly of tithing and some offering from every member sufficient funds could be raised to meet an adequate budget. In nearly all of our churches a very small per cent of the membership support the church. Let us work for as nearly total participation the coming year as possible.

MEMBERSHIP AND CHURCH RECORDS

We believe that the records will show a good increase in members this year. The church record problem is one of our most serious. Some charges have no permanent record book and one guess is made one year and another the next and generally one man's guess is as good as another's. But there should be no guessing about this matter. It is too important. There should perhaps be a course in our church schools on the matter of keeping correct records of church members and we recommend to all of the pastors that they make better use of the membership and Church record committees. Also we recommend that each church acquire and use a loose leaf record book and that when a pastor leaves the charge that it be placed in the hands of a reliable person to be turned over to the incoming pastor at once.

RELIGIOUS EDUCATION

Considerable progress has been made throughout the conference during the year. A number of mid-year institutes and training schools were held in larger centers and in some of the rural sections.

Institutes and schools were held at Johnson City, Knoxville, Maryville, Chattanooga,, Cleveland and at several other points with splendid results. This program of institutes and schools has stimulated the Church School work in a very distinct way. A school for Christian Living was conducted on the campus of Tusculum College, with a total enrollment of 103.

Every district had a good number of young people registered at the Epworth League Institute at the Assembly Grounds. There has been a notable revival of interest among the young people of the conference. We recommend that every charge set up a plan at the beginning of the year for raising funds to help pay the expenses of a number of young people at next year's institute. A school in Christian Living was held at Crockett Springs—with 62 registered students with 9 in faculty.

RESERVE PENSION FUND

Dr. W. M. Dye will make his report to this conference which will show that he has continued to travel throughout the conference and has represented the cause to thousands of our people.

The chairman of the Commission called a meeting of the commission with the District superintendents at Knoxville in July. They presented a resolution later to a larger group of preachers and laymen.

The resolution is that we believe the time has come to make our every member canvas to complete our fund of $335,000 which will underwrite our obligation to the present members of conference.

It will require about $180,000 to complete the fund. The larger committee voted to place a resolution before conference to begin the cultivation work immediately after the conference session and by the first of February be organized and ready to make the actual canvas in every district. When we have reached a sufficient figure we can then enter the New Pension plan, which will reduce the per cent given by the churches nad will create a regular pension plan for all new entrants who will pay from year to year 2½% of their salary which will guarantee them a living pension.

A TRAINED MINISTRY

More and more every church is asking for better trained men. The mid-year school at Athens is very important and no young man who expects to enter the conference can afford to neglect this school.

A splendid faculty with special lecturers is organized every year. We recommend also the graduate school to all of the men of the conference. It is not only necessary to prepare for the ministry but continue courses of study as long as we shall work.

EDUCATIONAL INSTITUTIONS

We report the fact that Chattanooga University is growing each year in cultural opportunities and in the number of students. It is a college of high standing among the colleges and universities of the United States. We recommend its courses to our young people who plan to go to school.

Tennessee Wesleyan reports a good increase in the number of students registered this year. It is doing a fine piece of work as a Junior college. The cabinet hopes that the conference will stand back of the school 100 per cent in their giving.

Murphy Collegiate Institute at Sevierville is now waiting for further developments of their plans financially. Dr. W. C. Martin and co-workers have made a sacrifice for this school worthy of larger results.

YOUNG PEOPLE'S WORK

The Young people of the conference are organizing to take a larger place in the work of the church. The institute at Gatlinburg had their largest attendance this year and report splendid results.

The Unions are working to new degree of success. It is hoped that the rural sections may be more thoroughly organized. In many of our rural churches active aggressive leagues have been promoted.

We recommend that the unions do missionary work along this line, bringing in as many of the detached leagues as possible.

TEMPERANCE

We wish we might as a cabinet do something much more effective than to make a report on the conditions prevailing since the destruc-

tion of our liquor legislation. We call attention to the fact that President Roosevelt made the statement that he would see that the dry states should be protected against the liquor dealers if he had to call out the army. In spite of this we are overrun by liquor dealers of every sort and more and more they are a menace to our civilization. We deplore the situation and believe the only help is to educate the young people in the terrible effects of alcohol and create again a consciousness of the horrible results to individuals, homes and our civilization.

Statistics gathered by the government show that more than 50 per cent of the accidents on the roads come from drunken drivers.

We call upon the civil authorities to put into operation the laws we have and pray that again we may throttle the accursed traffic.

SOCIAL JUSTICE

Our church has stood from the first for just time and wages for working people. We believe still that every man is entitled to work with proper wages which will give his family and himself enough for the necessities of life and an adequate education for his children. We differ as to the best plan for social security but we are pleased that the government and many of the states are making plans to keep the wolf away from the doors of the aged and to abolish poverty. We believe that there is such a state possible as a Christian social order where all share in the material necessities of life.

We deplore that tendency, especially in our cities to destroy the quiet of our one day of rest and to continentalize our Sunday by running the movie houses on that day. We stand for the sanctity of that day as a time for rest, recreation and worship.

PEACE

We cannot close this report without congratulating President Roosevelt and Honorable Cordell Hull on their determination to stay out of war. We pray that permanent peace may come to all the world as only tragedy, disaster, suffering and hatred can ever follow in the wake of war.

There is nothing in the Christian religion which co-ordinates with the motive of horrible and murderous warfare.

THE BIBLE

We are recommending full co-operation of all the pastors and charges in celebrating the 400th Celebration of the English Bible this fall, closing December 8. The pastors can secure information concerning the development and accomplishment of the full translation. The general committee recommends that every pastor preach a sermon on the Bible and prepare a program for December 8; also that they press for a more constant reading and study of the Bible.

May 24, 1938, will be the 200 years celebration of the Spiritual Birth of the Methodist Episcopal Church. The alder's gate experience of John Wesley began according to his testimony at that time, with the strange warming of his heart and a full understanding of what faith actually means. Many men and women have been fairly faithful churchmen who have never had a victorious, joyful experience with Christ.

We recommend that these two years be occupied in bringing the

church members into a closer and more understanding walk with God.

Can we bring back or forward the days of testifying? Let's ask anew the old question—What has the Lord done for you?

SPECIAL CONFERENCE CLAIMANTS SUPPLY PASTORS FUND

In recognition of the faithful and indispensable services rendered by our Supply Pastors and their wives of the Holston Annual Conference, on among our hardest charges, and smallest salaries; and, the shameful neglect in providing a retirement fund for them; and, since our Board of Pensions and Relief of Chicago, propose to share with any Annual Conference in the care of these Supply Pastors on a two-thirds basis, up to $150.00 each, in helping to care for Supply Pastors, widows and their dependents:—

BE IT THEREFORE RESOLVED, That the Holston Annual Conference accept this challenge; and, that in fixing the amount to be raised for our regular Conference Claimants, that we set aside one per cent (1%) of the total amount disbursed annually, for Supply Pastors, their widows and dependents, as a "Special Conference Claimants Supply Pastors Fund," as designated by the 1932 Discipline. See paragraphs 169, 349, sections one, two, six, seven and eight. (Also p. 471, sec. 6.)

PROVIDED—First, That no Supply Pastor shall share in this Fund who has not served at least twenty years of full-time pastoral service under the direction and control of a District Superintendent.

PROVIDED—Second, That each Supply Pastor shall contribute to this Fund, at least two (2%) per cent of his cash salary annually, actually paid into said Fund from the adoption of this resolution until his retirement. Otherwise, neither he, nor his family shall participate in this Fund,—EXCEPT, the actual amount he has contributed, with three (3%) per cent interest thereon.

PROVIDED—Third, That all Supply Pastors shall be entitled to receive back the full amount paid into this Fund, within 30 days of his retirement, with three (3%) per cent interest, should he not serve the full twenty years. But he shall receive nothing from the "Special Conference Claimants Supply Pastors Fund."

RESOLVED—That a personal account shall be kept by the disbursing Treasurer of the Board of Stewards, with each Supply Pastor. That, upon retirement each Supply Pastor shall be paid within thirty days, the full amount due him, after his retirement, and his account closed. All disbursements are to be made equally to each Supply Pastor, based upon the amounts disbursed.

RESOLVED—That all these, and any other Funds contributed to this cause, shall be administered by the Board of Stewards, as provided by the Discipline.

REPORT OF THE AUDITING COMMITTEE

As your auditing committee, we have checked the books of Dr. W. F. Pitts, Conference Treasurer, Dr. W. M. Dye, Treasurer of the Reserve Pension Fund and Mr. G. F. Lockmiller, Treasurer of the

Preachers' Aid Society. It has been impossible to make anything like a complete and detailed audit, but we have done the best we could under the circumstances.

We went over the detailed records and reports of Dr. Pitts and find from the standpoint of method and care with which his work is done that it is most excellent. It was impossible to check all the details. To do so would require several weeks. But we are impressed with the unusually large volume of work the Conference Treasurer does. We feel that the conference owes Dr. Pitts great appreciation for this efficient work.

Dr. Dye has presented his books to J. B. Elliot, accredited accountant, Athens, Tenn., for examination. On October 14 Mr. Elliot made the following report to us: "In response to your inquiry relative to the books of the Reserve Pension Fund kept by Dr. Dye, Etowah, Tenn., I am pleased to advise that Dr. Dye brought his records to my office and that I checked the technique of the report but did not detail each item to the original source or the propriety of the expenditures. From what I saw I believe the report to be correct.

(Signed: J. B. ELLIOT.)

Relative to the Preachers' Aid Society books we checked items furnished us by Mr. Lockmiller, Treasurer, including mortgage notes, against the report in the Official Journal of our Annual Conference for 1934, and found that the items furnished us by Mr. Lockmiller were listed in the said Journal. Perhaps we should state that we did not make a detailed audit but rather checked on the items furnished us, without verifying throughout their accuracy.

Respectfully submitted,

MARK M. MOORE, Chairman,
W. H. LEWIS.

LAYMEN TWO-DAY SESSION

Deeply appreciating the presence, co-operation and council of the Laymen of the Holston Conference; and realizing the inadequacy of one-day session, to give them much opportunity to affiliate with the conference and to attend to their interests;

Therefore, be it resolved that we kindly request that they meet two days in conference, namely, Thursday and Friday mornings, allowing them free to meet in the afternoons of Thursday and Friday, and that they be given Friday night to climax their work.

WILLIAM M. DYE.

Adopted.

RESOLUTION

Whereas, the action of the conference in tabling the reports on Social Service may be misinterpreted as a lack of interest in the matter; be it resolved that this conference is in agreement with the principles expressed in the Social Creed of the Church. Disc. p. 561.

Adopted.

SPECIAL RESOLUTION

The official Board of the First Methodist Episcopal Church, Athens, and the Executive Committee of Tennessee Wesleyan College join in extending to the Holston Conference a cordial invitation to hold the 1936 ssesion of the Conference in Athens as a trial looking toward holding the sessions here each year if the arrangement shall prove mutually satisfactory. The invitation is extended with the following provisions:

1. That the session shall be held either the first week in September or sometime in the month of June.
2. That the College shall supply the dormitory rooms for use of the ministerial members of the Conference, including bed linen and towels for which a charge of one dollar per person shall be made, and the local church shall provide for the lodging of the lay members in private homes.
3. The local church will supply meals to all at a charge not to exceed twenty five cents per meal.
4. The local church will be responsible for other details of conference entertainment.

For the Official Board,

W. H. LEWIS, Chairman,
RHEA HAMMER, Secretary.

For the Executive Committee,

G. F. LOCKMILLER, Vice-Chairman,
JAMES L. ROBB, Secretary.

SPECIAL RESOLUTION

W. F. Pitts moved that members of the Conference express officially their appreciation for the untiring labors of Joe M. Hampton, Superintendent of the Harriman District, and for the very efficient and business-like way he has handled the property interests with the Government in the Harriman District. His report of receipts and disbursements agrees to a penny with the report of the Treasurer of the Board of Incorporators, W. F. Pitts. The motion was carried.

COMPLIMENTARY RESOLUTIONS

We wish to express the appreciation of the Holston Annual Conference for the fine way in which the people, and the secretarial staff of the Second Methodist Episcopal Church, under the leadership of the Rev. Geo. J. Cresswell, have entertained us during our stay in Knoxville, and to all those who have aided Second Church in this undertaking.

The Conference deeply appreciates the brotherly leadership of Bishop Wallace E. Brown, and, as expressed in a resolution adopted in one of the sessions of this Conference, we look forward to the continued leadership of Bishop and Mrs. Brown during another quandrennium.

To all the committees and officers who have contributed to the success of the conference program, we extend our thanks and we would like to recommend the continuation of the plan for the early morning prayer meetings by districts.

We are grateful to all of our speakers for the rich contribution they have made to the program of the Conference this session: Dr. E. F. Tittle, Dr. M. A. Dawber, Dr. W. S. Bovard, Dr. Stewart Patterson, Dr. Frank Cartwright, Pres. Alexander Guerry, Hon. Boyd Hargraves, Hon. John S. Fletcher, and to every member of our own conference body who has contributed to the inspiration and enrichment of these days together.

We are grateful to the representatives of the Methodist Book Concern, Dr. Lloyd Douglas and Mr. and Mrs. Fritsche for their splendid book display.

We acknowledge with thanks the contribution the laymen are making to hte work of the Conference and appreciate greatly their earnest response to the pension plan.

We heartily commend the movement of the young people to a conference-wide youth organization and program.

We recognize the helpful assistance of the newspapers of the city in printing the news of the Conference.

We appreciate the good will of the city administration as expressed by Mayor John T. O'Connor.

The placing of flowers in the chancel of the church has been a beautiful expression of thoughtfulness, which has been much enjoyed by all.

We are thankful to our Heavenly Father for his goodness and blessings through another year.

BOARD OF EDUCATION

The Division of Religious Education in the Local Church

This brief report has to do not with one phase or one element in the program of the local church, but with our total task. Most of us have come to see that there is nothing that the church attempts to do for and with people that cannot best be done by the method that we broadly call educational.

It does not matter where one begins thinking about the problems of modern life and civilization; if he thinks far enough and clearly enough, he finds himself dealing with the principles of Jesus. Surely by this time we have come to see that Religious Education is but a serious effort on the part of the church to help people to become Christ-like, and to express his mind and spirit in the daily business of living. Some of us are more than ever convinced that the best elements in the program of all our churches in the Holston Conference have been developed through the Conference program of Religious Education. This is the result, not only of the stimulating and inspiring leadership of our Conference Director, but also of the

fact that increasingly District Superintendents, Pastors and Laymen are taking seriously the educational task of the church.

During the past year real gains have been made along certain important lines. The problem of discovering and training leaders is coming to be a major interest in many churches throughout the conference. Many churches are finding the new Leadership Training Courses helpful, and are using them in local church classes and schools, in workers' conferences and official board meetings. Also, there have been Standard Training Schools in most important centers of the conference. In addition this past year there were conducted three district schools in Christian Living, the Conference Summer School and two young people's Institutes, with the largest attendance and the best leadership training work we have yet done. Effort has been made this year to organize the work of the conference around certain natural centers, and marked progress has been made. Group meetings have been held in eleven of these centers for the purpose of planning and carrying on certain activities that can be done co-operatively. This is especially true with regard to the use of Rally Week and Rally Day. One of the most encouraging things this past year is the way that many rural Pastors and local Directors of Religious Education have ceased to drift and are in the process of developing worthwhile programs. It is earnestly hoped that this movement will spread. The Vacation School is still a significant part of the program of many local churches.

The Board of Education of the conference desires to express its appreciation of the financial support of the conference program. An increasing number of Pastors, Laymen and churches are responding with Rally Day offerings, which constitute the chief means of support.

The budget for next year is as follows:

Report of the Division of Schools and Colleges, of the Holston Conference Board of Education

This report will be divided into two parts, not only for presentation, but for your action. Part One, will deal with Murphy Collegiate Institute. Part Two, concerns the other Methodist Colleges in the Conference, and the subject of the Church in Education.

Part One

The Holston Conference has been intimately connected with Murphy Collegiate Institute. It has met upon its campus; sent its boys and girls to school there; given of its money, and freely opened the doors of its churches to the representations of its leaders. It has received much of educational benefit in return.

This year various circumstances led to a restudy of the relationship of the Conference to Murphy. Many meetings of your Board have been held. A special committee was appointed, made its studies and reported its findings to the Board. Much data have been accumulated. The record of the acceptances and rejections of this material is too intricate to concern us here. The last action consisted in carrying the following motion. "That the Board take a vote as to whether we will recommend liquidation of Murphy Collegiate Institute or shall we continue by some plan the institute." The vote so proposed resulted in 9 votes for liquidation, 5 for continuance by some plan, and 2 void ballots. Thus the recommendation of your Board to you for your consideration is the "liquidation" of Murphy Collegiate Institute.

Part Two

President J. L. Robb and General J. O. Fowler already have made statements to this Conference concerning the present as a peculiarly opportune time for a larger and more definite support of Tennessee Wesleyan College by the Conference. This your Board concurs in heartily.

President Alexander Guerry informs the Board that for the third time he is willing to defer for another year, when the time may be more auspicious, the claims of the University of Chattanooga for financial assistance from the Conference.

For the coming conference year, this Board recommends that the Holston Conference continue the appropriation of $6000 as an Annual Conference Benevolence for Schools and Colleges; that as heretofore, the receipts from this benevolence be divided between Tennessee Wesleyan College and Murphy Collegiate Institute; three-fifths to the former, two-fifths to the latter.

Finally, the principle of education must be emphasized. Every type of society past and present, has felt the need of training its own youth in its own ways and of presenting to its youth its ideals. A Christian society must not do less. More than accrediting associations, more than collegiate fads and fancies, more than extra-curricula activities which tend to become of such major interest, more than the fact demonstrable by the physical measurements of the material sciences, must the ideals of the Great Teacher dominate the educational programs sponsored and supported by the Church. The Methodist Church and Holston Conferfence will sacrifice either its energies and its wealth on the altar of Christian Education or its youth on the altar of religious indifference.

Respectfully submitted,

R. A. KILBURN,
Chairman of the Division.

THE REPORT OF THE BOARD OF MINISTERIAL TRAINING FOR THE CONFERENCE YEAR ENDING OCTOBER, 1935

The Board of Ministerial Training feels that it has a weighty responsibility in carrying out the provisions of the Discipline concerning the scholastic training and examination of ministers seeking ordination, Conference membership, and pastoral work. Therefore, we make every endeavor to keep standards of instruction and grading high, hoping that thereby we may make a contribution in producing a ministry valuable to the church.

The Athens Summer School achieved an enrollment greater than in any previous year. Forty-five students were present. The graduate group numbered 8, and the local preachers raised their number to 13. Dr. F. Ernest Johnson, as special lecturer, effectively synthesized the social and the personal gospels, and blessed all who heard him.

Again Brother T. O. Marshall is the star student, in Graduate Correspondence Work. He has successfully completed two courses this year. Brothers M. F. Goss, E. C. Paustion and W. C. Daniels are also taking graduate correspondence work.

Deep appreciation is expressed to Dr. Allan MacRossie by the Board for his untiring interest in our work; and to the Commission on Courses of Study we are very grateful for continued financial support of the Summer School.

The attention of the students in the courses is called to the following matters. First, the requirements stated in Directions and Helps should be followed exactly. Second, a careful reading of the Discipline and the Conference Minutes together with the Directions and Helps should give complete information as to how the student may proceed with his work. Elsewhere in this Conference Journal is a statement of the Organization of the Board with a schedule showing the assignment of subjects and the proposed time of year when the work of each subject is to be done.

Respectfully submitted,

R. A. KILBURN, Chairman,

W. R. CURTIS, Registrar.

A Report of the Holston Conference Commission For Co-operation With the Tennessee Valley Authority

According to the recommendations of the Annual Conference of last year, your commission has been actively engaged: first, in the disposal of certain church property within the Norris Reservoir area; second, with matters related to religious programs in new communities and replanned communities; third, with matters concerning the education and enlightenment of our people about the TVA program and its relation to the Church and religion.

The educational phase of our work has been emphasized throughout the conference in District Conferences, Sub-District Group meetings, Epworth League Institutes, the Summer School of Ministerial Training, and in our schools and colleges. Educational leaders in the Conference have been generous in allowing the introduction of TVA elements into their programs.

Through its chairman, J. M. Hampton, your commisssion has kept in close contact with the TVA development. The status of religious work at Norris is just about as it has been from the beginning. During the year, two different men were established at Norris as religious leaders. This program was supported financially by the TVA and the local citizens. At present, no permanent religious leadership is established in Norris. Neighboring pastors of all denominations serve the community as they are invited by the above mentioned parties. Trends for the future seem as follows. Because of the lack of co-operation, locally, between denominations, the Home Missions Council feels powerless to help. For the same reason, the TVA officials are only luke warm to ecclesiastical proposals. The final outcome would seem to be, then, a competitive denominationalism in Norris when the Federal Government withdraws.

The Home Missions Council is sponsoring a full time minister at the Cumberland Mountain Subsistence Homesteads. Also he serves as field worker for the Home Missions Council throughout the 170 counties of the TVA project.

New religious programs in new and replanned communities are made necessary by the flooding of the Norris Reservoir. Most of this work is within the bounds of the Harriman District. Our Chairman as superintendent of that district and the church location committee of that district have several property projects under way. Two churches have been built and dedicated on the New Tazewell Charge. New parsonages were bought at Tazewell and Oliver Springs. Repairs on parsonages were made at LaFollette, Rockwood, Decatur, Clinton, and the district parsonage. Church properties at Oneida and Kingston were relieved of debt. Repairs to churches were made at Rockwood and LaFollette. Further church building is in progress at Clinton and Harriman.

To be considered as a part of this report is an appended financial statement, showing the receipts and expenditures of the chairman.

Respectfully submitted by the Commission,

J. M. HAMPTON, Chairman,

Memoirs

REV. J. O. COX

The Rev. J. O. Cox was born near Dandridge, Tenn., March 7, 1872. He was married, September 28, 1899, to Miss Mahalie Mort and to this union were born eight children; Edna who is now Mrs. Edna Bailey, Paul, Elmer, Stanley, Genevieve, Helen, Woodrow, and Kemp. Brother Cox for a long time before his death had been afflicted with high blood pressure. It therefore came as no great surprise to his friends, though yet, of course, as a great shock, that he was taken suddenly from among us. It happened on Friday morning, Feb. 1, 1935, while he was standing in front of our East Main Avenue Church waiting for a street car.

Brother Cox, before being called to a better world, had enjoyed a long and fruitful ministry. He was admitted on trial into the Holston Conference in 1906 and was assigned to the Fair Garden Circuit. Even before that however he had been preaching with rich results. Other appointments held by Brother Cox were Thorn Grove, Little River, New Salem, Pigeon Forge, Parrotsville, Glenford, and Andersonville. He was granted the supernumary relationship in 1930 and retired in 1931.

The funeral service held in the Park City Methodist Church on Sunday afternoon, February 3, was a tribute to Brother Cox's genuine Christian spirit and to his effective ministry. The ministers of our denomination in Knoxville attended in a body. The congregation was so immense that little over half its number could find a place inside the building. Those who knew estimated that over three fourths of those present were people from far and near, who either were, or had been, members of churches pastored by Brother Cox. Rev. C. Clayton, pastor, spoke of the spiritual helpfulness Brother Cox had rendered as a retired minister in the churches he had attended since his days of active ministry. The Rev. W. H. Ragan, Knoxville District Superintendent and long-time friend of the deceased, spoke from Isaiah 52:7, "How beautiful on the mountains are the feet of him that bringeth good tidings, that publisheth peace, that bringeth good tidings of good, that publisheth salvation, that saith unto Zion, 'Thy God reigneth'." Brother Ragan was able to enrich his sermon with many illustrations from the life of Brother Cox inasmuch as he had first hand information regarding some of the greatest triumphs of that long ministry. Among them he recounted how that at the very outset of his own ministry Brother Cox held for him a great revival in which over a hundred people were added to the church.

Brother J. O. Cox was a devoted husband, a loving father, a faithful pastor, an effective preacher, and, above all, a Christian full of Godly good-will toward all people, grown-ups and little children. A life like his is the strongest argument for immortality. As sure there is a God of power and goodness, a life like that of Brother Cox can not pass into nothingness; it must be everlasting.

THE REV. WALTER A. SHARP

The Rev. Walter A. Sharp, pastor of the Methodist Episcopal Church, St. Charles, Va., passed to his heavenly home, June 26, from the hospital at LaFollette, Tenn., following a brief illness. He was

born February 20, 1888, near Dahlgren, Ill. He was admitted into the Southern Illinois Conference in 1910, and served as pastor of seven charges in that Conference. In 1926 he was transferred to the Central Tennessee Conference, where he was pastor of two charges. In 1931 he was transferred to the Holston Conference and served as pastor of three charges. He was married to Ruth Green in the year 1909. Seven children were born. Four died in infancy. Three live with their grief-stricken mother. His last message to his son was: "Preach the Word! Don't preach anything but the Word!" He quoted the 23rd Psalm shortly before he died. By his own request the body was brought from LaFollette to St. Charles. The funeral services were conducted by the Rev. W. D. Wilkinson, pastor of the First Methodist Episcopal Church, Bristol, Tenn., assisted by the Rev. A. J. Murphy, pastor First Methodist Episcopal Church, Pennington Gap, Va. The body was taken to Dahlgren, Ill., for interment.

LORENZA DOW HAMIL

When Holston Conference met in Second Church, Knoxville, Wednesday morning, October 16th, and began memorial services for deceased ministers and their wives, it was a matter of profound grief mingled with triumphant joy that the sweet face of Brother Hamil was missing and his name was called with others crowned during the year—grief because we, his brothers and hundreds of friends shall see him no more with us in labor, and supreme joy because we know that after the life he lived, and the labors he wrought, he is forevermore among the immortals.

Brother Hamil during his entire life was a prayerful student of the Bible, a tireless worker for the Kingdom, a thoughtful preacher of the evangelistic type, a sympathetic brother and friend to all, a devoted lover of young people, the aged, the shut-ins. Converted at an early age he cultivated Christian living, was possessed with a rich experience which expressed itself in all his Gospel messages. He perhaps married more people than any other pastor in the Conference, and never heard of a Church he served wanting him to go.

He was born in Clay County, Alabama, March 14, 1870. He attended school at Mount Zion, Ga., and was for a time a student at the University of Chattanooga. He passed to his heavenly reward from Erlanger Hospital, Chattanooga, March 24, 1935. His funeral was conducted from Saint Marks Church, Chattanooga, where he had served a long and successful pastorate. His body was laid to rest at Mount Zion, Ga. The funeral at Chattanooga was conducted by Dr. James M. Melear, Dr. W. C. Daniels, and the Methodist ministers of Chattanooga churches served as honorary pallbearers. A brief service was held at Mount Zion by the pastor, Rev. W. C. McGarity.

He is survived by Mrs. Hamil, R. Clay Hamil, a local preacher, Ruth Hamil, Mrs. W. E. Padgett, and Mrs. T. H. McMillan, all of Chattanooga, Tenn.

Being greatly loved as he was by all his brethren in the ministry, and hundreds of friends where he served many years as pastor and District Superintendent, Brother Hamil will be greatly missed and mourned. The sweet influence of this blessed man of God will linger in Holston Conference to brighten the remaining miles of the journey of those who have known and loved him long.

William F. Pitts.

THE REV. ANDERSON A. NEWMAN

The Rev. Anderson A. Newman was born in Jefferson County, Tennessee, Juy 21, 1858, and died January 9, 1935, aged 77 years.

He was married to Katharnie Wilson in 1877, and to this union seven sons and three daughters were born.

The funeral of Brother Newman was conducted by the Rev. J. F. Reed, and the Rev. Huff, at the Salem Lutheran Church in Cocke County, Tenn., and he was buried in the adjoining cemetery.

Brother Newman began his ministry in the United Brethren Church, and later, according to our records, served churches in the Kansas Conference before coming to Holston.

By his record he served 17 years in the ministry of the Methodist Episcopal Church.

When this writer came to the Johnson City District as Superintnedent he was then in the district as a pastor.

In his ministry in Holston Conference, he served the following charges: Newcomb, Townsend, Asbury, Parrotsville, two terms; Mosheim, Sulphur Springs, and Chestnut Hill.

Brother Newman was a very useful man in many ways. He was very effective, tender and compassionate in prayer. He never aspired to high or otherwise important places in the conference, but had a certain type of sincerity in his work and convictions.

Everyone in religious leadership must be judged by his backgrounds and by his environment in any study or appraisal of the work which he has done.

Brother Newman was one who wished everything done on the minute set for its beginning. This is not always possible in dealing with the various types of persons who would make up an average Methodist congregation in our rural work, or even in our town and city charges. He was one of those kind of men who from time to time are snatched as "brands from the burning," and he immediately felt the call to preach, and set about it in such form and way that was most possible for him.

"Long my imprisoned spirit lay,
Fast bound in sin and nature's night;
Thine eye diffused a quickening ray,
I woke, the dungeon flamed with light;
My chains fell off, my heart was free,
I rose, went forth, and followed Thee.

No condemnation now I dread,
Jesus, with all in Him, is mine;
Alive in Him, my living Head,
And clothed in righteousness divine,
Bold I approach the Eternal Throne,
And claim the Crown, through Christ My Own."

—C. Wesley.

MRS. I. N. PIPPIN

Mrs. Ruth M. Pippin was born in Elizabethton, Tenn., January 17, 1854 and departed this life May 29, 1935, in Bristol, Va. Age 81 years, 4 months and 12 days. Funeral was conducted by Rev. W. D.

Wilkinson, her pastor, and the writer, after which her remains were laid to rest in the River View cemetery, beside her husband.

Mrs. Pippin was the daughter of the Rev. and Mrs. Harmon J. Crumley. Married Rev. I. N. Pippin February 17, 1870. To this union were born three children: Rev. E. W. Pippin, Knoxville, Tenn.; Mrs. Robt. Barber (deceased), Abingdon, Va., and Dr. H. L. Pippin, Bristol, Va. She leaves several grand children.

Mrs. Pippin accepted Christ as her Saviour in early childhood, and united with the Methodist Episcopal Church, in which she lived a devoted Christian life for some 65 years. She, in years of activity, was a great soul winner. She was among the first persons the writer ever saw shout the praise of God. She was much like a mother to me. Her gonig is a deep sorrow to me. She lived a devoted, victorious life—and went home to be with her Lord and join a great host of loved ones.

Much more good could be said of this saint, but her own life will tell its own story.

William M. Dye.

SARAH ELIZABETH ELY

Born May 23, 1887, in Kentucky, and deceased this life, March 26, 1935, in Dayton, Ohio, while on a visit to her parents. She was a daughter of Joseph and Mary Day. At the age of sixteen she, with her parents, moved to Virginia. Later she met the Rev. Charles H. Ely, to whom she was married in 1907. She attended, with her husband, Tennessee Wesleyan College, graduating in Domestic Art and Science, after which she with her husband, in 1920, was sent into the Little River Lumber camp as missionaries, remaining there until 1930, when, because of broken health, they had to leave. After moving to Lenoir City her health continued to decline unto the end. Rev. A. J. Murphy of Pennington Gap, Va., conducted her funeral. She was laid to rest in the Pennington Gap cemetery.

Like many other pastors' wives, she allowed her zeal for her husband's success, and the promotion of the Kingdom of God, to consume her over-taxed energies, and passed on to her coronation prematurely.

William M. Dye.

OUR SAINTED DEAD

"These all died in the faith, not having received the promises, but having seen them afar off, and were persuaded of them, and embraced them, and confessed that they were strangers and pilgrims on the earth."
